We are authorized to announce Harvey Hibler as a candidate for Sheriff of Bourbon County, with Brutus J. Clay, Jr., and James Burke as deputies, subject to the action of the Democratic party.

FOR CIRCUIT CLERK.

We are authorized to announce J. L. Earlywine as Republican candidate for Circuit Clerk with James Shea as deputy.

W. C. OWENS is the sewer of the Republican party.

DEMOCRATS, this is the most important election ever held in the old Commonwealth. The re-election of Gov. Beckham means the enforcement of law and order. It means that assassination must stop and those already found guilty will be punished. It means our courts shall be up-held and protected, and that the judiciary shall not be polluted for political purposes, and in this grand work the Democracy of old Bourbon will rally as they have never rallied before. Presenting a solid and reunited front they will carry the county by an increased majority and forever remove her from the doubtful column.

Democrats, be up and doing.
With a heart for any fate,
Still achieving, still pursuing,
Always vote the ticket straight.

BELKNAP is going about asking white people to vote for him, even to the old Confederates, and that, too, when it can be proven that he voted for a negro, and not a very respectable one at that, when he could have voted for an old Confederate soldier. The negro that respects himself will not vote for him and the Confederate soldier that would be without respect or self protection.—Mt. Sterling Advocate.

FOR FAMILY USE.—Order a case of Lion Beer and keep it at the house. If your wife is delicate, a bottle of Lion every day will build her up.

LIVE STOCK, CROP, ETC.

—Among the winners at the Lexington trots last week, James E. Clay, of this county, won \$3,125.

—Boardman & Hopkins, of Little Rock, bought 80 extra good yearling cattle in Bath. They sold 50 to Judge H. C. Smith.

—Ed. Turner, who lives on the R. T. Ford farm, has put in 200 acres of wheat.

—Simn Weil sold to A. L. Stephenson, of Anstett, 50 feeding cattle, weighing 1,116 pounds, at \$3.70.

—John L. Soper sold to W. H. Renick, six steers, averaging 1,025 pounds, at 4 cents.

—The cotton crop of Texas is estimated to be only 2,500,000 bales. Insect damage is reported in eighty-nine counties.

—Wm. R. Scott, of North Middletown precinct, sold his farm of about 250 acres, to W. A. Thomason, for \$92.50 per acre.

—H. C. Turner, of Mt. Sterling, has sold to Catesby Woodford, of Bourbon county, 100 feeding cattle at 3½ cents. The cattle averaged 1,050 pounds.

—The company having made arrangements for money sufficient to handle the product of the Barley area for this season, the desirability of all growers becoming members in time to have a voice in the selection of men to represent them is apparent.

—The Memphis Appeal, says: "The hog has suddenly fallen from his high estate, and where he lorded it over us at \$8 he brings \$4.50, and is a drag on the market at that. Now we will see how long it will be before the meat trust reduces the price to butchers and consumers so that a handful of chops may be had at something less than the price of a house and lot."
